### ASSESSMENT

---

The approximate available point distribution is as follows:

Midterms (100 points per exam)	200
Final Exam (Comprehensive, Includes Accounting Assessment)	200
Homework (9 Chapters at 20 points per chapter)	180
Reading Questions (10 Chapters at 5 points per chapter)	50
Class Participation and Attendance	85
Unit Assignments	85
Total approximate points available	<u>800</u>

**Midterms & Final Exam:** The exams may include Multiple-Choice or Problems based on text material, class discussions, and homework assignments. The final exam will be comprehensive. Part of the final exam will be an assessment of your knowledge of financial accounting. No makeup exams will be given without prior permission. Bring standard calculators, pencils, and an eraser to all exams.

**Homework:** Homework assignments consist of questions and problems from the end of each chapter. Submit only your own original work for homework. Homework will be completed and submitted through the CengageNOWv2 website. Assignments will receive a 10% increase in grade when transferred to Canvas. Late homework assignments will receive 50% credit, but no homework will be accepted after the exam on the chapter material.

**Reading Questions:** Rather than taking a quiz before we discuss each chapter in class, you will be given a set of reading questions to respond to and submit via file upload in Canvas for each chapter. Each chapter's reading questions will be worth 5 points. The objective is to encourage you to read the chapters before they are discussed in class as well as to help build out your notes for each chapter. The questions have been chosen intentionally to help you think through the major issues in each chapter and to help you prepare for the class discussion that will occur on the chapter.

**Class Participation & Attendance:** I expect you to come to class prepared to answer questions, participate in group activities and other in-class assignments. **Attendance at all class sessions is mandatory. Be on time to class.** Punctuality is an important attribute in any successful business endeavor. If you are late two times, it will be counted as one absence. Students may be excused from class for inappropriate computer/cell phone usage and the class will be counted as an unexcused absence for grading purposes.

**Unit Assignments:** Six times throughout the course, you will be assigned either a research or writing assignment that will require you to use tools available to you to either answer a research question, look into and analyze an aspect of a company's financial statements or communicate research in written form. The goal with these unit assignments is to help you move beyond the problems worked and actually apply that material to a "real-world" scenario. This will also give you a glimpse into one aspect of an accountant in any industry's job.

**Additional Learning Resources:** Text bundles purchased through the PLNU Bookstore and online at Cengage.com contain codes for accessing additional learning resources, including self-quizzes, flash cards and instructional videos on the publisher's website.

The Tutorial Center is also available to students free of charge. Tutoring is available by appointment only, and appointments must be made at least one day in advance. Appointments may be arranged in person at the Tutorial Center, over the phone at (619) 849-2593, or via email at TutorialServices@pointloma.edu.

## ARTIFICIAL INTELLIGENCE (AI) POLICY

You will be allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, Grammarly Go, Perplexity, etc.) with some assignments but not all. The instructor will explicitly say when the use of AI is allowed. When allowed, any work that utilizes AI-based tools must be clearly identified, including the specific tool(s) used. For example, if you use ChatGPT, you must cite ChatGPT. See Link for Citing APA: [APA Style: How to Cite ChatGPT](#)

## PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of

de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

---

### **FINAL EXAMINATION POLICY**

---

Successful completion of this class requires taking the final examination on its scheduled day. The final examination schedule is posted on the Traditional Undergraduate Records: Final Exam Schedules site. If you find yourself scheduled for three (3) or more final examinations on the same day, you are authorized to contact each professor to arrange a different time for one of those exams. However, unless you have three (3) or more exams on the same day, no requests for alternative final examinations will be granted.

---

### **PLNU COPYRIGHT POLICY**

---

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

---

### **PLNU RECORDING NOTIFICATION**

---

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

---

### **PLNU ACADEMIC HONESTY POLICY**

---

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one’s own when in reality they are the results of another person’s creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See Academic Policies for definitions of kinds of academic dishonesty and for further policy information.

---

### **PLNU ACADEMIC ACCOMMODATIONS POLICY**

---

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student’s eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. The EAC makes accommodations available to professors at the student’s request.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course. Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any special accommodations.

## SEXUAL MISCONDUCT AND DISCRIMINATION

In support of a safe learning environment, if you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that accommodations and resources are available through the Title IX Office at [pointloma.edu/Title-IX](http://pointloma.edu/Title-IX). Please be aware that under Title IX of the Education Amendments of 1972, faculty and staff are required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at [counselingservices@pointloma.edu](mailto:counselingservices@pointloma.edu) or find a list of campus pastors at [pointloma.edu/title-ix](http://pointloma.edu/title-ix).

If you (or someone you know) have experienced other forms of discrimination or bias, you can find more information on reporting and resources at [www.pointloma.edu/bias](http://www.pointloma.edu/bias)

**To learn this material:** Focus your study efforts on understanding the material. Try not to simply memorize. Expect to spend 2-3 hours in study and homework for each 1 hour of class time. Additional time may be required to prepare for exams. Read each chapter before it is discussed in class and note questions for discussion. The most effective study strategy to prepare for tests is to **thoroughly understand problems worked in class** and assigned in the homework.

You must keep up with the assignments. Accounting is a subject that builds on the previous chapter material. **It is important to not fall behind.** If you are experiencing problems, please notify me immediately and consider using a tutor from the Academic Support Center.
