Course Policies:**Student Responsibilities (Responsabilidades del/ de la estudiante):**

1. Class participation and attendance (La asistencia y la participación en clase): Regular and punctual attendance in all classes for which a student is registered is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each class are two of the course requirements to be met. There are no allowed or excused absences except when absences are necessitated by certain university sponsored activities and approved in writing by the provost of the university. You must be in class to participate, since we do conversation, review, and active practice with the material (you must be in class the entire class period, or you will be marked absent). **The first two absences do not count**, but after, 1% of grade will be deducted per absence (**10 points per absence**). **After 6 unexcused absences, the professor reserves the right to de-enroll the student from the class. After 12 absences (20% of the grade), a student cannot pass the class and will receive an F for the course (per university policy).** Our classroom environment will be one of “mutual respect” and a “community of learning.” What this means is that you should not be embarrassed or discouraged to participate—and mistakes will be considered part of the learning process that everyone can benefit from. If you do not understand something, do not hesitate to ask for further explanation.

PLNU Attendance and Participation Policy

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

2. Tests (Exámenes): There will be a test given after every two chapters during the term. It will be imperative to do a thorough review before each test since the material is cumulative. **There are no make-up exams.** There will also be a departmental final exam. The final exam is comprehensive.

3. The 3 “C”s: Culture, Community, Church: Students will be offered to participate in some activities outside of class, all for **extra credit**. Students can choose an approved cultural event (film, concert, museum, Webinar or presentation, etc.) or a church service in Spanish. Students must do a brief response paper (one page, in Spanish) on what they do. Sometimes the professor will provide a worksheet to fill out with questions to answer instead of a write-up. **All activities must be pre-approved by the professor.** Students can receive up to **20 points extra credit**, depending on level of involvement. Normally, each activity will be worth 10 points, with a limit of 2 per semester. If you choose a museum, church, film etc. **it is necessary to take a photo of yourself watching or participating in the event. No photo = no credit! Also, to clarify again, your event MUST be pre-approved by the professor. Please ask first to get your idea approved!**

4. Cultural Engagement Assignments (Tareas culturales):

Cultural Engagement and Extra Credit assignments: Due by Friday, May 2 at 11:59pm.

Some of the cultural engagement assignments will have earlier due dates (professor will clarify this in class).

Students will be required to complete **five cultural engagement assignments** during the class. The professor will provide more information about cultural assignments, including dates and requirements. **Not just any assignment or idea can fulfill this requirement; the activities need to be approved by the professor.** It will be necessary to take a photo of yourself doing the activity, **no photo = no credit!** In other words, if you are watching a presentation, please snap a quick photo of yourself. The professor will provide more information in class.

5. Conversation (Conversación): Students will have the opportunity to attend conversation sessions for **extra credit**. Professor will provide times for a **Spanish Coffee Hour**, or conversation sessions that can be done by appointment. The idea is to not talk about grammar and class review, but to simply **practice conversational Spanish**. It is a good idea to arrange a small group ahead of time to have more interaction. **An hour of conversation is worth 10 extra credit points**, but students are encouraged to keep practicing and improving their Spanish even after receiving the 10 points. **More information will be provided in class.** At times, we will discuss films, documentaries or photos as part of the conversation.

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

Artificial Intelligence (AI) Policy

Use of Artificial Intelligence (AI) tools (e.g, ChatGPT, iA Writer, Marmot, Botowski) is not permitted, and use of these tools will be treated as plagiarism.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. The EAC makes accommodations available to professors at the student's request.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course.

Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any special accommodations.

Final Examination Policy

Successful completion of this class requires taking the final examination on its scheduled day. The final examination schedule is posted on the [Traditional Undergraduate Records: Final Exam Schedules](#) site. If you find yourself scheduled for three (3) or more final examinations on the same day, you are authorized to contact each professor to arrange a different time for one of those exams. However, unless you have three (3) or more exams on the same day, no requests for alternative final examinations will be granted.

An Important Note:

I will let you know when we can use laptops/tablets in class. The main focus of the class is practicing and learning Spanish, so when we use laptops/tablets, please do not watch videos or do things outside of our classwork. If I do notice that you are not staying with the class, I will mark you off 10 points for participation for the day. **Likewise, cellphone use is not allowed in class, unless we are doing a specific activity that requires that. Please keep your phones in your backpack or put away. Active participation in class is required, and you need to be in class the entire session to get credit for the day. Also, please use the bathroom BEFORE class. If you leave class for 10-15 minutes or more, you will be marked absent.**
